

How to Access the StreetSmart *Preview* App

The StreetSmart *preview** app is a quick way to experience the capabilities found in our production StreetSmart Mobile Workforce Management app. This free *preview* app can be downloaded to your iOS or Android device to test drive the app before deciding to purchase a subscription. The *preview* app includes:

- ✓ Many of the capabilities found in the production version StreetSmart App. This *preview* version allows you to access and enter data into the mobile app to gain additional understanding of the app capabilities.
- ✓ Overview information on our cloud-based administrative software.

Locating the StreetSmart *Preview* App

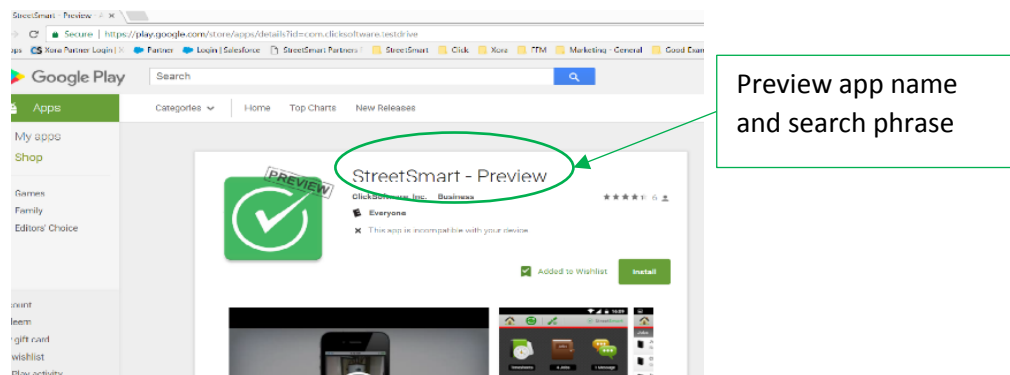

The StreetSmart *preview* app is available for download from either iTunes or Google Play store. Make sure to look for the icon with the *PREVIEW* stamp.

Google Play Store for Android devices:

- Search Phrase: StreetSmart – Preview
- <https://play.google.com/store/apps/details?id=com.clicksoftware.testdrive>

iTunes Store for iOS devices:

- Search Phrase: ClickSoftware StreetSmart - Preview
- <https://itunes.apple.com/WebObjects/MZStore.woa/wa/viewSoftware?id=1136603099&mt=8>

*This is a *preview* only version. Data entered into the preview app will not be stored or synced with the Web Administration App. The subscription StreetSmart mobile app must be purchased for full functionality. Contact StreetSmartSales@ClickSoftware.com for more information on purchasing the StreetSmart mobile app subscription.
