

These 'Software as a Service' Terms and Conditions ("SaaS Terms") apply to the agreement entered into between the Customer (as identified on the Quote) and the Service Provider (as identified on the Quote) and set forth the terms and conditions under which Service Provider will provide the Customer with access to certain applications as set forth on the Quote ("Application(s)") and user documentation that Service Provider makes generally available in hard copy or electronic form to its general customer base in conjunction with the subscription of such Applications ("Documentation"). The Applications and the Documentation will hereinafter collectively be referred to as the "Software." The Quote, the SaaS Terms, and any and all agreements associated therewith shall be the "Master Agreement".

## 1. SUBSCRIPTION GRANT AND RIGHT OF USE

**1.1. Subscription Grant.** Subject to all limitations and restrictions contained herein and the Quote, Service Provider grants Customer a subscription, software as a service ("SaaS"), nonexclusive, and nontransferable right to access and operate the object code form of Applications (and use its Documentation) as hosted by Service Provider as described in the Quote ("Use") and solely to perform those functions described in the Documentation. For clarity, an "Application" means Service Provider's proprietary software that is specifically subscribed to Customer pursuant to a Quote.

**1.2. Use.** Customer will have a limited right to Use the Application solely for its internal business purposes, to perform the functions described in the Documentation. Customer shall not allow any website that is not fully owned by Customer to frame, syndicate, distribute, replicate, or copy any portion of Customer's web site that provides direct or indirect access to the Application. Customer shall not allow any website, that is not fully owned by Customer, to frame, syndicate, distribute, replicate, or copy any portion of Customer's web site that provides direct or indirect access to the Software. Unless otherwise expressly permitted in the Quote and subject to Section 1.5, Customer shall not permit any subsidiaries, affiliated companies, or third parties to access the Software.

**1.3. Subscription Type.** The Software is subscribed on a (a) per Concurrent Device or (b) per Named Device as set forth in the Quote. A "Named Device Subscription" means that the Application subscribed to pursuant to the Quote may be Used by a limited number of devices, each identified by a unique device id (the "Named Device"), the maximum number of which is specified in the Quote. Customer may designate different Named Devices at any time without notice to Service Provider so long as the permitted number of Named Devices is not exceeded. A "Concurrent Device Subscription" means that the Application subscribed to pursuant to the Quote may be Used by a maximum number of devices as indicated in the Quote. Each simultaneous "log on" from a separate device shall be deemed a Concurrent device. Concurrent Device license are assigned temporarily to a user for the duration of an active session. Once that device ends the active session, the license may be used by another device and the previous device is no longer licensed to access the Software. Notwithstanding the above and for clarity, the number of Concurrent Devices accessing both the Production or Non-Production copy and any test copies of the Software may not exceed the total number of Concurrent Devices licensed. Use of software or hardware that reduces the number of devices directly accessing or utilizing the Software on a particular service (sometimes called "multiplexing" or "pooling" software or hardware) does not reduce the number of device licenses required for the Software. A license is required for each distinct input to the multiplexing or pooling software or the hardware "front end.". The scope of any subscription other than a Named Device Subscription or Concurrent Device Subscription must be expressly designated and defined in detail in a Quote. In no event will any of the subscriptions denoted above be construed to mean a concurrent user subscription

**1.4. Additional Restrictions.** In no event will Customer disassemble, decompile, or reverse engineer the Application or Confidential Information (as defined herein) or permit others to do so. Disassembling, decompiling, and reverse engineering include, without limitation: (i) converting the Application from a machine-readable form into a human-readable form; (ii) disassembling or decompiling the Application by using any means or methods to translate machine-dependent or machine-independent object code into the original human-readable source code or any approximation thereof; (iii) examining the machine-readable object code that controls the Application's operation and creating the original source code or any approximation thereof by, for example, studying the Application's behavior in response to a variety of inputs; or (iv) performing any other activity related to the Application that could be construed to be reverse engineering, disassembling, or decompiling. To the extent any such activity may be permitted pursuant to written agreement, the results thereof will be deemed Confidential Information subject to the requirements of these SaaS Terms. Customer may use Service Provider's Confidential Information solely in connection with the Application and pursuant to the terms of these SaaS Terms.

**1.5. Authorized Users.** Unless otherwise specifically provided in the Quote, "Authorized Users" will only consist of: (i) employees of Customer, and (ii) subject to Section 5 (Confidentiality), third party contractors of Customer who do not compete with Service Provider ("Permitted Contractors"). Permitted Contractors may Use the Software only at Customer's place of business or in the presence of Customer personnel. Customer is fully liable for the acts and omissions of Permitted Contractors under these SaaS Terms and applicable Quote. Customer shall not permit any parent, subsidiaries, affiliated entities, or third parties to access the Software.

**1.6. Customer License Grant.** Customer grants to Service Provider a non-exclusive, royalty-free license to access, use, reproduce, modify, perform, display and distribute Customer data as is reasonable or necessary for Service Provider to perform or provide the Application.

## 2. PAYMENT

**2.1. Fees.** Customer shall pay Service Provider the fees indicated on the Quote. Unless otherwise provided in a Quote, all fees are to be paid to Service Provider within thirty (30) days of the date of invoice. Any late payment will be subject to any costs of collection (including reasonable legal fees) and will bear interest at the rate of one and one-half percent (1.5%) per month (prorated for partial periods) or at the maximum rate permitted by law, whichever is less. If Customer has set up a direct debit, Service Provider will not debit Customer's designated account before seven (7) days have elapsed from the date of the invoice. If Customer is delinquent on a payment of fees for fifteen (15) days or more, Service Provider may suspend access to the Application. Complaints concerning invoices must be made in writing within thirty (30) days from the date of the invoice. Invoices will be sent by electronic delivery unless requested otherwise by Customer, additional fees will apply.

**2.2. Taxes.** The subscription, service fees, and other

amounts required to be paid hereunder do not include any amount for taxes or levy (including interest and penalties). Customer shall reimburse Service Provider and hold Service Provider harmless for all sales, use, VAT, excise, property or other taxes or levies which Service Provider is required to collect or remit to applicable tax authorities. This provision does not apply to Service Provider's income or franchise taxes, or any taxes for which Customer is exempt, provided Customer has furnished Service Provider with a valid tax exemption certificate. The Customer will pay all import duties, levies or imposts, and all goods and services sales, use, value added or property taxes of any nature, assessed upon or with respect to the SaaS Terms. If the Customer is required by law to make any deduction or to withhold from any sum payable to the Service Provider by the Customer hereunder, then the sum payable by the Customer upon which the deduction or withholding is based shall be increased to the extent necessary to ensure that, after such deduction or withholding, the Service Provider receives and retains, free from liability for such deduction or withholding, a net amount equal to the amount the Service Provider would have received and retained in the absence of such required deduction or withholding. If the Customer is required by law to make any such deduction or withholding, the Customer shall promptly effect payment thereof to the applicable tax authorities. The Customer shall also promptly provide the Service Provider with official tax receipts or other evidence issued by the applicable tax authorities sufficient to enable the Service Provider to support a claim (if applicable) for income tax credits in the Service Provider's applicable taxable country.

### 3. HOSTING

**3.1. Service Availability.** Service Provider will use reasonable efforts to achieve Service Provider's availability goals described in the 'Service Level Addendum for SaaS' located at <https://www.streetsmartmobile.com/wp-content/uploads/2020/09/Service-Level-Addendum-for-SaaS.pdf>.

**3.2. Support Services.** Upon payment of the relevant fees on the applicable Quote, Customer may receive certain support services for the Application pursuant to the 'Support Addendum for SaaS' located at <https://www.streetsmartmobile.com/wp-content/uploads/2020/09/SaaS-Support-Addendum-190819.pdf>.

### 4. OWNERSHIP

**4.1. Reservation of Rights.** By signing the Quote, Customer irrevocably acknowledges that, subject to the rights granted herein, Customer has no ownership interest in the Software or Service Provider materials provided to Customer. Service Provider will own all right, title, and interest in such Software and Service Provider materials, subject to any limitations associated with intellectual property rights of third parties. Service Provider reserves all rights not specifically granted herein.

**4.2. Marks and Publicity.** Service Provider and Customer trademarks, trade names, service marks, and logos, whether or not registered ("**Marks**"), are the sole and exclusive property of the respective owning party, which owns all right, title and interest therein. Service Provider may: (i) use the Customer's name and/or logo within product literature, press release(s), social media, and other marketing materials; (ii) quote the Customer's statements in one or more press releases; and/or (iii) make such other use of the Customer's name and/or logo as may be agreed between the parties. Additionally, Service Provider may include Customer's name and/or logo within its list of customers for general promotional purposes. Service Provider shall comply with Customer's trademark use

guidelines as such are communicated to the Service Provider in writing and Service Provider shall use the Customer's Marks in a manner which is consistent with industry practice. Neither party grants to the other any title, interest or other right in any Marks except as provided in this Section.

### 5. CONFIDENTIALITY

**5.1. Definition. "Confidential Information"** includes all information marked pursuant to this Section and disclosed by either party, before or after the Quote Term Start Date (as identified on the Quote), and generally not publicly known, whether tangible or intangible and in whatever form or medium provided, as well as any information generated by a party that contains, reflects, or is derived from such information. For clarity, the term 'Confidential Information' does not include any personally identifiable information. Obligations with respect to personally identifiable information (if any) are set forth in the 'Global Data Privacy Addendum' located at <https://www.streetsmartmobile.com/wp-content/uploads/2020/01/GDPR-Addendum-190819.pdf>.

**5.2. Confidentiality of Software.** All Confidential Information in tangible form will be marked as "Confidential" or the like or, if intangible (e.g., orally disclosed), will be designated as being confidential at the time of disclosure and will be confirmed as such in writing within thirty (30) days of the initial disclosure. Notwithstanding the foregoing, the following is deemed Service Provider Confidential Information with or without such marking or written confirmation: (i) the Software and other related materials furnished by Service Provider; (ii) the oral and visual information relating to the Application; and (iii) these SaaS Terms.

**5.3. Exceptions.** Without granting any right or license, the obligations of the parties hereunder will not apply to any material or information that: (i) is or becomes a part of the public domain through no act or omission by the receiving party; (ii) is independently developed by the other party without use of the disclosing party's Confidential Information; (iii) is rightfully obtained from a third party without any obligation of confidentiality; or (iv) is already known by the receiving party without any obligation of confidentiality prior to obtaining the Confidential Information from the disclosing party. In addition, neither party will be liable for disclosure of Confidential Information if made in response to a valid order of a court or authorized agency of government, provided that notice is promptly given to the disclosing party so that the disclosing party may seek a protective order and engage in other efforts to minimize the required disclosure. The parties shall cooperate fully in seeking such protective order and in engaging in such other efforts.

**5.4. Ownership of Confidential Information.** Nothing in these SaaS Terms will be construed to convey any title or ownership rights to the Software or other Confidential Information to Customer or to any patent, copyright, trademark, or trade secret embodied therein, or to grant any other right, title, or ownership interest to the Service Provider's Confidential Information. Neither party shall, in whole or in part, sell, lease, license, assign, transfer, or disclose the Confidential Information to any third party and shall not copy, reproduce or distribute the Confidential Information except as expressly permitted in these SaaS Terms. Each party shall take every reasonable precaution, but no less than those precautions used to protect its own Confidential Information, to prevent the theft, disclosure, and the unauthorized copying, reproduction or distribution of the Confidential Information.

**5.5. Non-Disclosure.** Each party agrees at all times to use all reasonable efforts, but in any case no less than the efforts that each party uses in the protection of its own Confidential

Information of like value, to protect Confidential Information belonging to the other party. Each party agrees to restrict access to the other party's Confidential Information only to those employees or Subcontractors who: (i) require access in the course of their assigned duties and responsibilities; and (ii) have agreed in writing to be bound by provisions no less restrictive than those set forth in this Section.

**5.6. Injunctive Relief.** Each party acknowledges that any unauthorized disclosure or use of the Confidential Information would cause the other party imminent irreparable injury and that such party will be entitled to, in addition to any other remedies available at law or in equity, temporary, preliminary, and permanent injunctive relief in the event the other party does not fulfill its obligations under this Section.

**5.7. Suggestions/Improvements to Software.** Notwithstanding this Section, unless otherwise expressly agreed in writing, all suggestions, solutions, improvements, corrections, and other contributions provided by Customer regarding the Software or other Service Provider materials provided to Customer will be owned by Service Provider, and Customer hereby agrees to assign any such rights to Service Provider. Nothing in these SaaS Terms will preclude Service Provider from using in any manner or for any purpose it deems necessary, the know-how, techniques, or procedures acquired or used by Service Provider in the performance of services hereunder.

## **6. WARRANTY**

**6.1. No Malicious Code.** To the knowledge of Service Provider, the Application does not contain any malicious code, program, or other internal component (e.g. computer virus, computer worm, computer time bomb, or similar component), which could damage, destroy, or alter the Application, or which could reveal, damage, destroy, or alter any data or other information accessed through or processed by the Application in any manner. This warranty will be considered part of and covered under the provisions of these SaaS Terms. Customer must: (i) notify Service Provider promptly in writing of any nonconformance under this warranty; (ii) provide Service Provider with reasonable opportunity to remedy any nonconformance under the provisions of these SaaS Terms; and (iii) provide reasonable assistance in identifying and remedying any nonconformance.

**6.2. Authorized Representative.** Customer and Service Provider warrant that each has the right to enter into these SaaS Terms and that these SaaS Terms and the Quotes executed hereunder will be executed by an authorized representative of each entity.

**6.3. Services Warranty.** Service Provider warrants that all services performed hereunder shall be performed in a workmanlike and professional manner.

**6.4. Disclaimer of Warranties.** ANY AND ALL OF SOFTWARE, SERVICES, CONFIDENTIAL INFORMATION AND ANY OTHER TECHNOLOGY OR MATERIALS PROVIDED BY SERVICE PROVIDER TO THE CUSTOMER ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND. EXCEPT AS OTHERWISE EXPRESSLY STATED IN SECTION 6 OF THESE SAAS TERMS. SERVICE PROVIDER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT. NEITHER SERVICE PROVIDER (NOR ANY OF ITS SUBSIDIARIES, AFFILIATES, SUPPLIERS OR LICENSORS) WARRANTS OR REPRESENTS THAT THE SOFTWARE OR SERVICES WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE. CUSTOMER ACKNOWLEDGES THAT THERE

ARE RISKS INHERENT IN INTERNET CONNECTIVITY THAT COULD RESULT IN THE LOSS OF CUSTOMER'S PRIVACY, DATA, CONFIDENTIAL INFORMATION, AND PROPERTY.

**6.5. Modifications.** Notwithstanding anything to the contrary in this Section, any and all warranties under these SaaS Terms are VOID if Customer has made changes to the Software or has permitted any changes to be made other than by or with the express, written approval of Service Provider.

## **7. INDEMNIFICATION**

**7.1. Service Provider Indemnity.** Service Provider will defend at its expense any cause of action brought against Customer, to the extent that such cause of action is based on a claim that the Application, as hosted by Service Provider to Customer, infringes a United States patent, copyright, or trade secret of a third party. Service Provider will pay those costs and damages finally awarded against Customer pursuant to any such claim or paid in settlement of any such claim if such settlement was approved in advance by Service Provider. Customer may retain its own counsel at Customer's own expense.

**7.2. No Liability.** Service Provider will have no liability for any claim of infringement based on: (i) Software which has been modified by parties other than Service Provider where the infringement claim would not have occurred in the absence of such modification; (ii) Customer's use of the Software in conjunction with data or third party software where use with such data or third party software gave rise to the infringement claim; or (iii) Customer's use of the Software outside the permitted scope of these SaaS Terms.

**7.3. Remedies.** Should the Software become, or in Service Provider's opinion is likely to become, the subject of a claim of infringement, Service Provider may, at its option, (i) obtain the right for Customer to continue using the Software, (ii) replace or modify the Software so it is no longer infringing or reduces the likelihood that it will be determined to be infringing, or (iii) if neither of the foregoing options is commercially reasonable, terminate the access and Use of the Software. Upon such termination, Customer shall cease accessing the Software and Service Provider will refund to Customer, as Customer's sole remedy for such subscription termination, the subscription fees paid by Customer for the terminated license for the past twelve (12) months. THIS SECTION 7 STATES THE ENTIRE LIABILITY OF SERVICE PROVIDER WITH RESPECT TO ANY CLAIM OF INFRINGEMENT REGARDING THE APPLICATION.

**7.4. Customer Indemnity.** Customer agrees to defend, indemnify, and hold Service Provider and its officers, directors, employees, consultants, and agents harmless from and against any and all damages, costs, liabilities, expenses (including, without limitation, reasonable attorneys' fees), and settlement amounts incurred in connection with any claim arising from or relating to Customer's: (i) breach of any of its obligations set forth in Section 10 (Customer Obligations); (ii) Customer's gross negligence or willful misconduct; (iii) actual or alleged use of the Application in violation of these SaaS Terms or applicable law by Customer or any Authorized Users; (iv) any actual or alleged infringement or misappropriation of third party intellectual property rights arising from data provided to Service Provider by the Customer or otherwise inputted into the Application, whether by the Customer, an Authorized User or otherwise including Customer Work Product (as defined below); and/or (v) any violation by Customer or its Authorized Users, of any terms, conditions, agreements or policies of any third party service provider. "**Customer Work Product**" means that data and those forms developed or acquired by Customer for

internal business purposes independent from Service Provider or the Application.

**7.5. Indemnification Procedures.** Each indemnifying party's obligations as set forth in this Section are subject to the other party: (i) giving the indemnifying party prompt written notice of any such claim or the possibility thereof; (ii) giving the indemnifying party sole control over the defense and settlement of any such claim; and (iii) providing full cooperation in good faith in the defense of any such claim.

## **8. LIMITATION OF LIABILITY**

**8.1. Liability Cap.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL SERVICE PROVIDER BE LIABLE UNDER ANY THEORY OF LIABILITY, WHETHER IN AN EQUITABLE, LEGAL, OR COMMON LAW ACTION ARISING HEREUNDER FOR CONTRACT, STRICT LIABILITY, INDEMNITY, TORT (INCLUDING NEGLIGENCE), ATTORNEYS FEES AND COSTS, OR OTHERWISE, FOR DAMAGES WHICH, IN THE AGGREGATE, EXCEED THE AMOUNT OF THE FEES PAID BY CUSTOMER FOR THE SERVICES WHICH GAVE RISE TO SUCH DAMAGES.

**8.2. Disclaimer of Damages.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL SERVICE PROVIDER BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND AND HOWEVER CAUSED INCLUDING, BUT NOT LIMITED TO, ATTORNEYS FEES AND COSTS, BUSINESS INTERRUPTION OR LOSS OF PROFITS, BUSINESS OPPORTUNITIES, OR GOODWILL.

**8.3** THE FOREGOING LIMITATIONS APPLY EVEN IF NOTIFIED OF THE POSSIBILITY OF SUCH DAMAGE AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY.

## **9. TERM AND TERMINATION**

**9.1. Subscription Term.** The term of these SaaS Terms will continue until the termination of the last Quote. Subject to the termination rights herein, the term shall automatically renew for the same term period as the term indicated within the then-current Quote at Service Provider's then-current rates, unless one party notifies the other in writing of its intent not to renew at least sixty (60) days prior to the expiration of the then-current term.

**9.2. Termination by Service Provider.** These SaaS Terms and any rights created hereunder may be terminated by Service Provider: (i) if Customer fails to make any payments due hereunder within fifteen (15) days of the due date; (ii) on thirty (30) days written notice to Customer if Customer fails to perform any other material obligation required of it hereunder, and such failure is not cured within such thirty (30) day period; or (iii) Customer files a petition for bankruptcy or insolvency, has an involuntary petition filed against it, commences an action providing for relief under bankruptcy laws, files for the appointment of a receiver, or is adjudicated a bankrupt concern.

**9.3. Termination by Customer.** These SaaS Terms may be terminated by Customer on ninety (90) days written notice to Service Provider if Service Provider fails to perform any material obligation required of it hereunder, and such failure is not cured within ninety (90) days from Service Provider's receipt of Customer's notice or a longer period if Service Provider is working diligently towards a cure.

**9.4. Effect of Termination.** Upon termination of these SaaS Terms, Customer shall no longer access the Software and Customer shall not circumvent any security mechanisms contained therein.

**9.5. Other Remedies.** Termination of SaaS Terms will not limit either party from pursuing other remedies available to it,

including injunctive relief, nor will such termination relieve Customer's obligation to pay all fees that have accrued or are otherwise owed by Customer under these SaaS Terms.

## **10. CUSTOMER OBLIGATIONS**

**10.1.** Customer agrees that no employees of Service Provider will be required to individually sign any agreement in order to perform any services hereunder including, but not limited to, access agreements, security agreements, facilities agreements or individual confidentiality agreements

**10.3.** The Customer shall be obliged to inform its Authorized Users before the beginning of use of the Software about the rights and obligations set forth in these SaaS Terms. The Customer will be liable for any violation of obligations by its Authorized Users or by other third parties who violate obligations within the Customer's control.

**10.4.** The Customer shall be obliged to keep the login names and the passwords required for the use of the Application confidential, to keep it in a safe place, and to protect it against unauthorized access by third parties with appropriate precautions, and to instruct its Authorized Users to observe copyright regulations. Personal access data must be changed at regular intervals.

**10.5.** Before entering its data and information, the Customer shall be obliged to check the same for viruses or other harmful components and to use state of the art anti-virus programs for this purpose. In addition, the Customer itself shall be responsible for the entry and the maintenance of its data.

**10.6.** Service Provider has the right (but not the obligation) to suspend access to the Application or remove any data or content transmitted via the Application without liability (i) if Service Provider reasonably believes that the Application is being used in violation of these SaaS Terms or applicable law, (ii) if requested by a law enforcement or government agency or otherwise to comply with applicable law, provided that Service Provider shall use commercially reasonable efforts to notify Customer prior to suspending the access to the Application as permitted under these SaaS Terms, or (iii) as otherwise specified in these SaaS Terms. Information on Service Provider's servers may be unavailable to Customer during a suspension of access to the Software. Service Provider will use commercially reasonable efforts to give Customer at least twelve (12) hours' notice of a suspension unless Service Provider determines in its commercially reasonable judgment that a suspension on shorter or contemporaneous notice is necessary to protect Service Provider or its customers.

**10.7.** During the term of these SaaS Terms and for a period of two (2) years following any termination or expiration of these SaaS Terms, Customer shall maintain written records related to the use of the Software by Customer, as reasonably necessary to verify compliance with the usage terms of these SaaS Terms. Such records will be kept in accordance with Customer's records retention policy and records retention schedule applicable thereto. Not more than once annually, and with notice of not less than 20 business days, Service Provider may (or may engage a third-party, which will be subject to a confidentiality obligation), to verify compliance ("**Verification**"). Verification will take place during normal business hours and in a manner that does not interfere unreasonably with Customer's operations. At Service Provider's option, Service Provider may request, and Customer hereby agrees to complete, a self-audit questionnaire relating to Customer's usage under the

rights granted by Supplier to Customer in the SaaS Terms. If Verification or self-audit reveals excess use of the Software, Customer agrees to compensate Service Provider for such usage. All costs of the Verification will be borne by Service Provider, unless excess usage of 5% or more is found ("**Material Excess Usage**"). If Material Excess Usage is found during Verification, Customer shall reimburse Service Provider for the actual costs associated with performance of the Verification. Service Provider and any third-party involved in the Verification will use the information obtained in compliance review only to enforce Service Provider's rights and to determine Customer's compliance with the terms of the rights granted in these SaaS Terms. By invoking the rights and procedures described in this Section, Service Provider does not waive its rights to enforce other terms of these SaaS Terms, including, but not limited to, any intellectual property rights by other means as permitted by law.

Customer hereby consents to the Service Provider Affiliates' role. Customer further agrees and acknowledges that Service Provider and Customer are the only parties to the Master Agreement, and that any action taken by Service Provider Affiliates in connection with the performance of Service Provider's obligations under the Master Agreement will not give rise to any cause of action against the Service Provider Affiliates, regardless of the theory of recovery. Service Provider shall at all times retain full responsibility for Service Provider Affiliates' compliance with the applicable terms and conditions of the Master Agreement. Service Provider will have the right to use third parties, including offshore entities who employ foreign nationals, as well as employees and contractors of Service Provider Affiliates and subsidiaries, who may also be foreign nationals (collectively, "**Subcontractors**") in the performance of its obligations hereunder and, for purposes of these SaaS Terms, all references to Service Provider or its employees will be deemed to include such Subcontractors. Service Provider will have the right to disclose Customer Confidential Information to such third parties provided such third parties are subject to confidentiality obligations similar to those between Service Provider and Customer.

**11.4. Technical Data.** Customer shall not provide to Service Provider any technical data as that term is defined in the International Traffic in Arms Regulations ("ITAR") at 22 CFR 120.10. Any notice of material breach will clearly define the breach including the specific contractual obligation that has been breached.

**11.8. Force Majeure.** Service Provider will not be liable to Customer for any delay or failure of Service Provider to perform its obligations hereunder if such delay or failure arises from any cause or causes beyond the reasonable control of Service Provider. Such causes will include, but are not limited to, acts of God, floods, fires, loss of electricity or other utilities, or delays by Customer in providing required resources or support or performing any other requirements hereunder.

**11.9. Restricted Rights.** Use of the Software by or for the United States Government is conditioned upon the Government agreeing that the Software is subject to Restricted Rights as provided under the provisions set forth in FAR 52.227-19. Customer further agrees not to hire, solicit, nor attempt to solicit, the services of any former employee or Subcontractor of Service Provider for a period of one (1) year from such former employee's or Subcontractor's last date of service with Service Provider. Violation of this provision will entitle Service Provider to liquidated damages against Customer equal to two hundred percent (200%) of the solicited person's gross annual compensation.

Neither party will have authority to bind, commit, or otherwise obligate the other party in any manner whatsoever.

**11.18. Governing Law; Venue.** The laws of the State of Texas, USA govern the interpretation of these SaaS Terms, regardless of conflict of laws principles. Any dispute, controversy, or claim arising under, out of, or relating to these SaaS Terms and any subsequent amendments of these SaaS Terms, including, without limitation, its formation, validity, binding effect, interpretation, performance, breach, or termination, as well as non-contractual claims, and any claims with respect to the validity of this mediation agreement (hereinafter the "Dispute"), shall be submitted to mediation in accordance with the then-current WIPO Mediation Rules. The language to be used in the mediation will be English.

Opportunity to Cure. Notwithstanding anything contained hereunder, Customer agrees and acknowledges that no dispute resolution or litigation will be pursued by Customer for any breach of these SaaS Terms until and unless Service Provider has had an opportunity to cure any alleged breach. Customer agrees to provide Service Provider with a detailed description of any alleged failure and a description of the steps that Customer understands must be taken by Service Provider to resolve the failure. Service Provider shall have sixty (60) days from Service Provider's receipt of Customer's notice to complete the cure.

Injunctive Relief. The parties agree that it will not be inconsistent with their duty to mediate to seek injunctive or other interim relief from a competent court. The parties, in addition to all other available remedies, shall each have the right to initiate an action in any court of competent jurisdiction in order to request injunctive or other interim relief with respect to a violation of intellectual property rights or confidentiality obligations. The choice of venue does not prevent a party from seeking injunctive or any interim relief in any appropriate jurisdiction.
